**OPENING DAY BALLOON RELEASE
TEXAS RANGERS, 2006 SEASON
PERFORMED BY ADVANTAGE BALLOONS
& PROMOTIONS FOR 9TH SEASON**

On Monday, April 3, 2006, Paul and Karla Aaron, principle owners of the advertising event company, AdVantage Balloons & Promotions, conducted the opening day balloon release for the Texas Rangers. This marked the 9th year that they have worked with the Texas Rangers for events such as Opening Day, the 10th Anniversary of the Ballpark, Playoff Games, and other special events.

This release was comprised of 7500 yellow balloons, released during the song, "The Yellow Rose Of Texas", performed by members of the University of Texas Longhorn band. As in years past, the yellow balloons celebrate our proud Texas heritage along with honoring our troops who serve our country and protect our freedoms both at home and abroad.

The Qualatex balloons used in these releases are environmentally friendly. The impact studies show that the formulas used in making the Qualatex balloons assure they have the same deterioration rate as an oak leaf. The rubber used in latex balloons is derived from rubber trees which helps preserve the rain forest. AdVantage Balloons and Promotions made a commitment to use American made balloons that are safe for the environment and provide American jobs.
